

## ROZEP OILS

### ANTI-WEAR HYDRAULIC OILS

#### Description

Rozep Hydraulic Oils are premium hydraulic oils formulated from the highest quality base stocks. These products are fortified with high performance anti-wear additives to enhance their function in high pressure hydraulic systems which utilize vane, piston, or gear pumps.

Additionally, with superior chemistry, they are designed for exceptional use and protection in reciprocating compressors that are subjected to sour, wet, high-pressure gasses.

#### Performance Requirements

Rozep Hydraulic Oils meet the performance requirements of Hagglands-Denison, Trinova Vickers, Cincinnati Milacron, Lee Norse, Jeffery and others.

#### Health & Safety

See the most recent MSDS which is available directly from Precision Fluids, your local salesman, or authorized distributor. Precision Fluids uses only raw materials not listed as carcinogenic by IRAC.
